ON THE GREEN

Congratulations to

This section will start to fill as (hopefully many) successes are achieved during the upcoming season.

In other news.....

The green is withstanding the winter weather and we look forward to a great playing surface for the new season.

And looking ahead

The President speaks.....

At the AGM on 18th February I was elected President for the coming year and I can assure you I will do my best to uphold the good name of Blackhall Bowling Club and carry out my duties to the same high standards set by my predecessors. I must thank Jim Sherman for all his hard work over the past year not only as President but also assisting other office bearers.

I give a big welcome to the new members joining the Management Committee and am sure we will all work together for the benefit of the club.

The attendance at the AGM was good and matters arising were fully discussed and opinions given. The fees this year will remain the same as last year at £160. Other matters will be referred back to the Management Committee for full discussion and recommendations will be conveyed to club members in due course.

The Ladies Annual Meeting has also been held and there was a good turnout. As President I have automatically taken on the Ladies Captain duties and Barbara Sherman was thanked for all the work she carried out last year.

We have three outside event bookings for March which is a good start to the year as these raise additional income for the club. Please consider anyone you know who may wish to use our facilities for a social event. My thanks in advance to the bar volunteers for those events (and indeed all our club events).

Finally (for now), fees/membership mailings will be issued during March so look out for these (in your email or post depending on your stated preference).

I very much look forward to the year ahead.
