ON THE GREEN

Congratulations to

As it is the end of the season we have published all the winners for the 2019 season later in the newsletter.

Apologies for the error in last months edition which was a little premature in declaring the winner of the John Murray Pairs.

In other news.....

We held an enjoyable friendly with the gents team from Dalston as part of a collection of bowlers from Carlisle and their mini tour of Edinburgh clubs.

The weather held (and indeed improved as the day went on) for our Anderson cup competition - thanks and well done to all who took part (see later section for the winners).

Our closing day events were also held in September marking the formal end to another season full, we are sure, of many highs. We were fortunate to have great weather and an excellent turnout for the bowls and the meal that followed.

And looking ahead

Opening day 2020! More information to follow in a future edition.

The President speaks.....

Closing Day on the 28th September was a success. To have all seven rinks fully utilised shows that the club membership is both active and enthusiastic. The presentation of prizes and the meal went off successfully and was enjoyed by the seventy members attending - a very creditable turn out.

Your Committee are not resting on their laurels. Although well-pleased with the improvement in the state of the green, an extensive programme of works has been agreed with the contractor starting with the autumn renovations and continuing up to Opening Day 2020 to ensure the improvement in playing conditions continues apace.

Although the Green is closed until April 2020, there are plenty of Events to keep us occupied throughout the close season. These range from big events such as the Race Night to the newest offering of Thursday afternoon Bridge Classes. Please keep an eye on the website and join in. You will be made welcome.

Calling all members

- ✦ We remain on the lookout for additional volunteers for our bar rota - please contact Les Dickson for further information. Thanks to those who have already stepped forward.
- ✦ We have some exciting events lined up for October and November - as always we ask our members to support these enthusiastically.

Events Update

Our next events are

- ✦ Race Night on Saturday 5th October
- ✦ Bridge Club (first meeting) on Thursday 10th October (14:00)
- ✦ Wine Tasting on Saturday 26 October
