ON THE GREEN

Congratulations to

Not much to report this month as we are now in the close season. We will keep you posted regarding any notable indoor achievements.

The ladies prize giving event was well attended and an enjoyable way to mark the end of the season.

In other news.....

End of season work continues on the green in preparation for next season - including verticutting, vertidrainning, application of top dressing and levelling.

And looking ahead

Opening day has been proposed for 18th April 2020 and closing day next year for 26th September 2020 (fingers crossed for good weather).

The President speaks.....

Well we are now fully into the close season but there is still quite a lot going on at the club.

Last Saturday evening we had an excellent wine tasting evening enlivened by some Scots songs from the Rolling Hills Chorus. Most enjoyable!

Next up is the Spice Evening with Chinese food showcased. Not to be missed!

There are also smaller, regular events such as the Bridge class and the Games Nights. If you would like to start up some activity with your friends at the club why not flag it up in 'The Rink' ? The clubhouse is a valuable asset that is there to be used.
