

Cup of Good Hope

The initial stage of the competition is in groups where you play each member of your group. Everyone will play 3 or 4 games

15 ends 4 bowls each No trial ends

Book your own game. **Play under current restrictions** – one player only to handle the jack, and one player only to handle the mats. Jack can be rolled or placed as long as only one member touches it. If placed the winner of the previous end can choose where it is placed. No markers. Only one player to measure if necessary but please play in the spirit of the competition – it is meant to be fun and a way of returning to bowling after lockdown.

Keep your own score and verify with your opponent at the end of the game.

2 points for a win, 1 point for peels but please also enter your score in shots. Scores should be entered on to a spreadsheet on the website. <http://blackhallbc.com/cup-of-good-hope/>

All group games must be completed by **Sunday 9th August**

The winners of each group will proceed to a knockout event to be played the following week. Should 2 players have an equal number of points, the winner of the game between those two will proceed. Failing that shots for and against will be counted.
